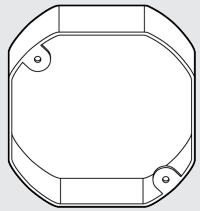
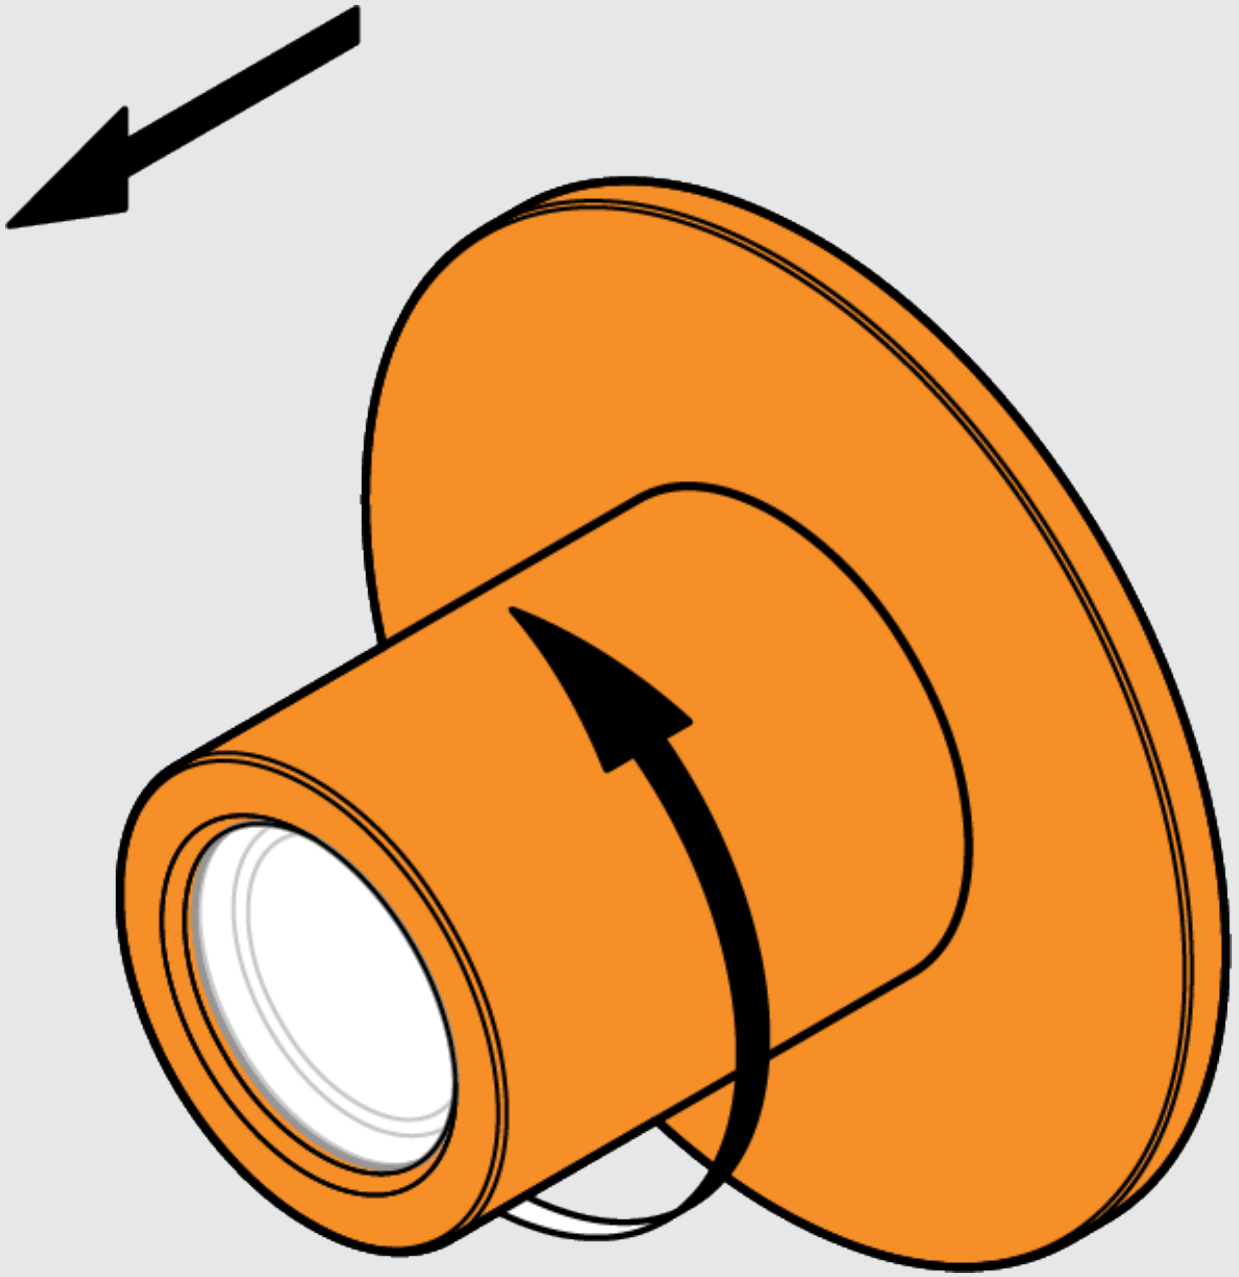
Backplate



Junction Box

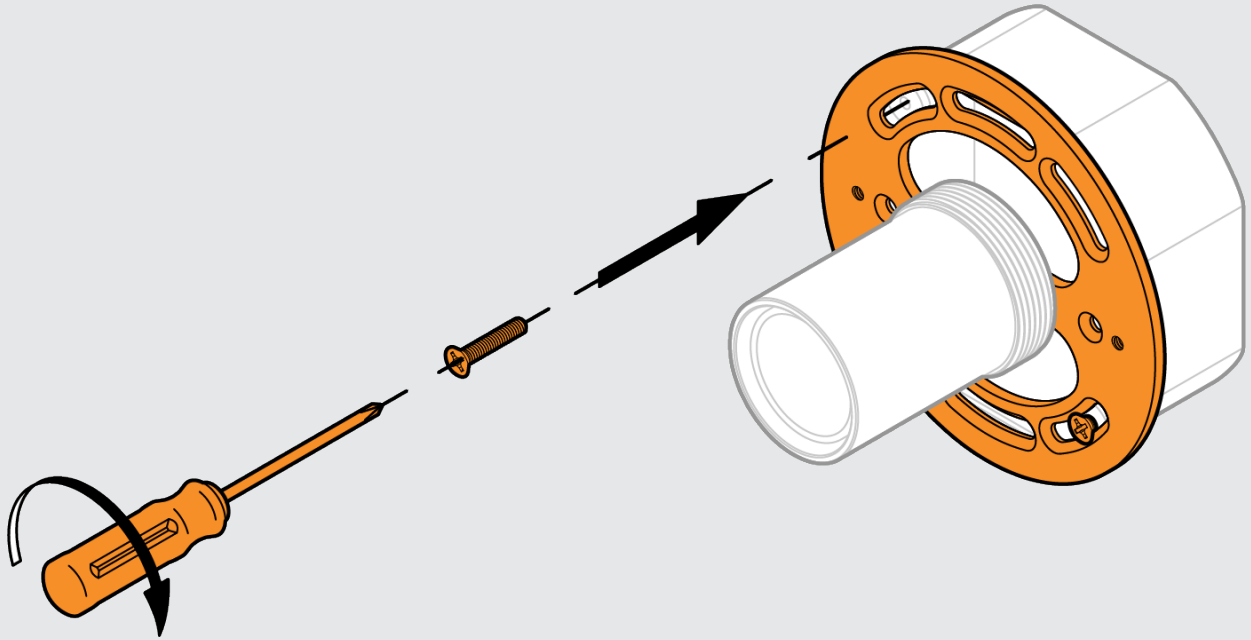
3

Unscrew the socket cover and then remove the canopy from the fixture.



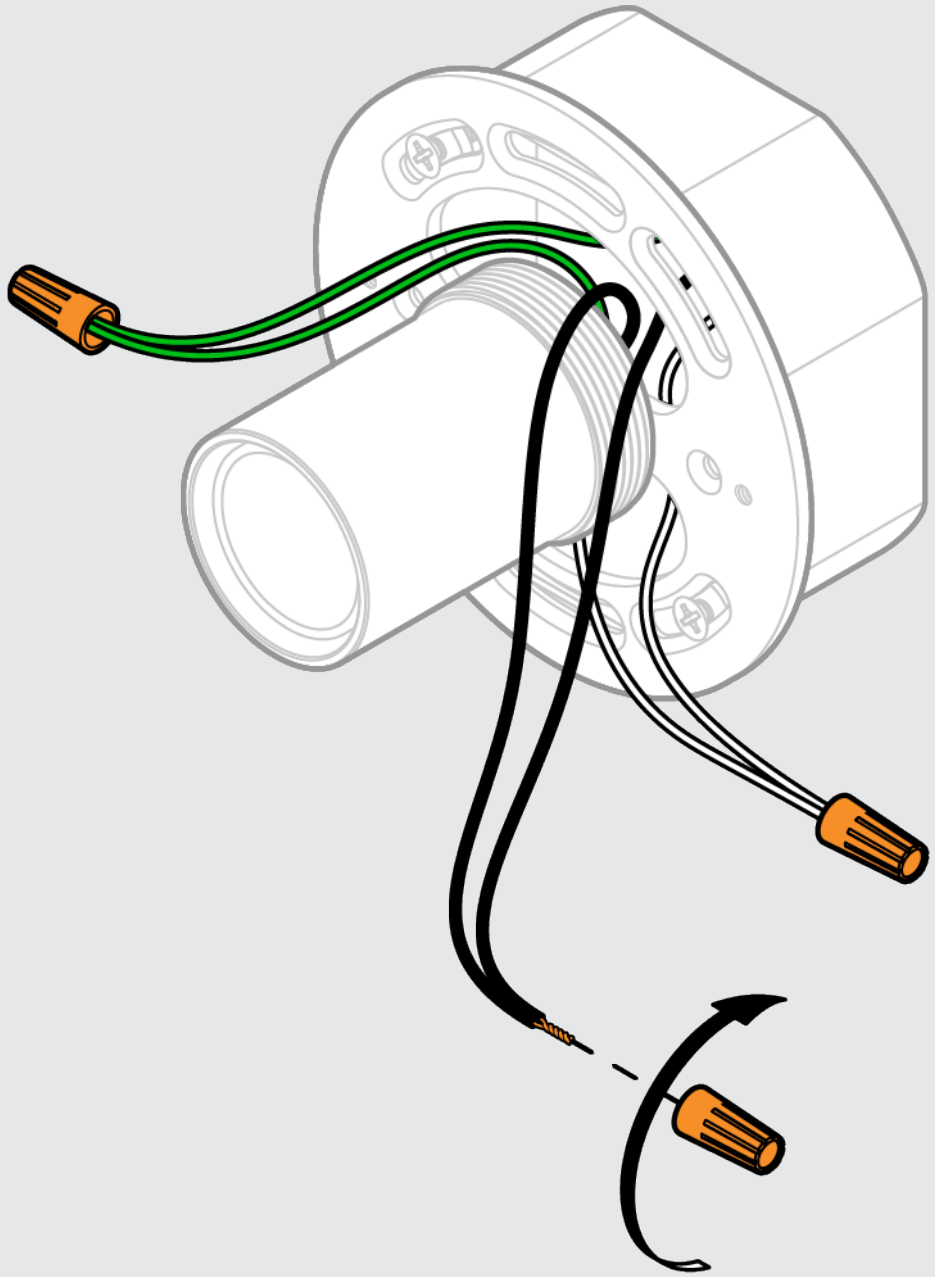
4

Mount the fixture backplate onto the junction box using the provided machine screws.



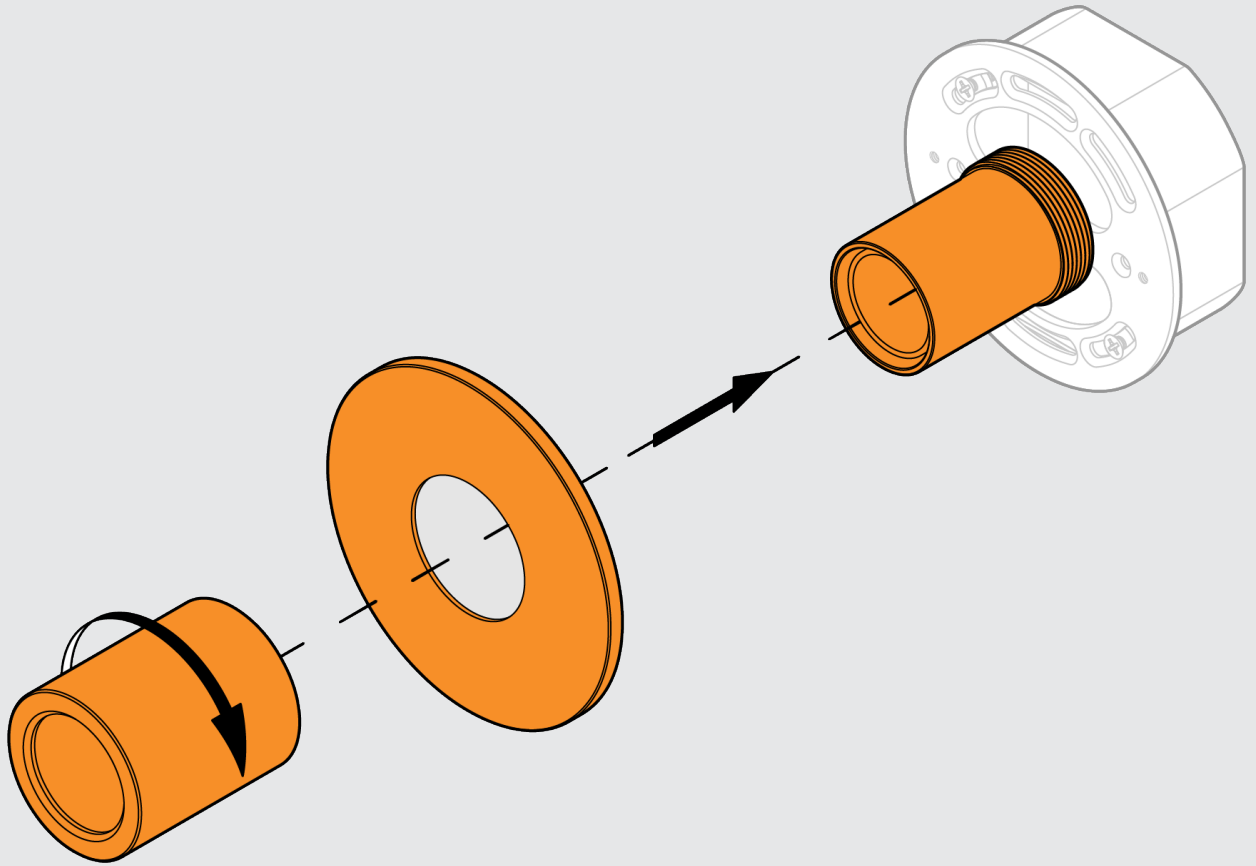
5

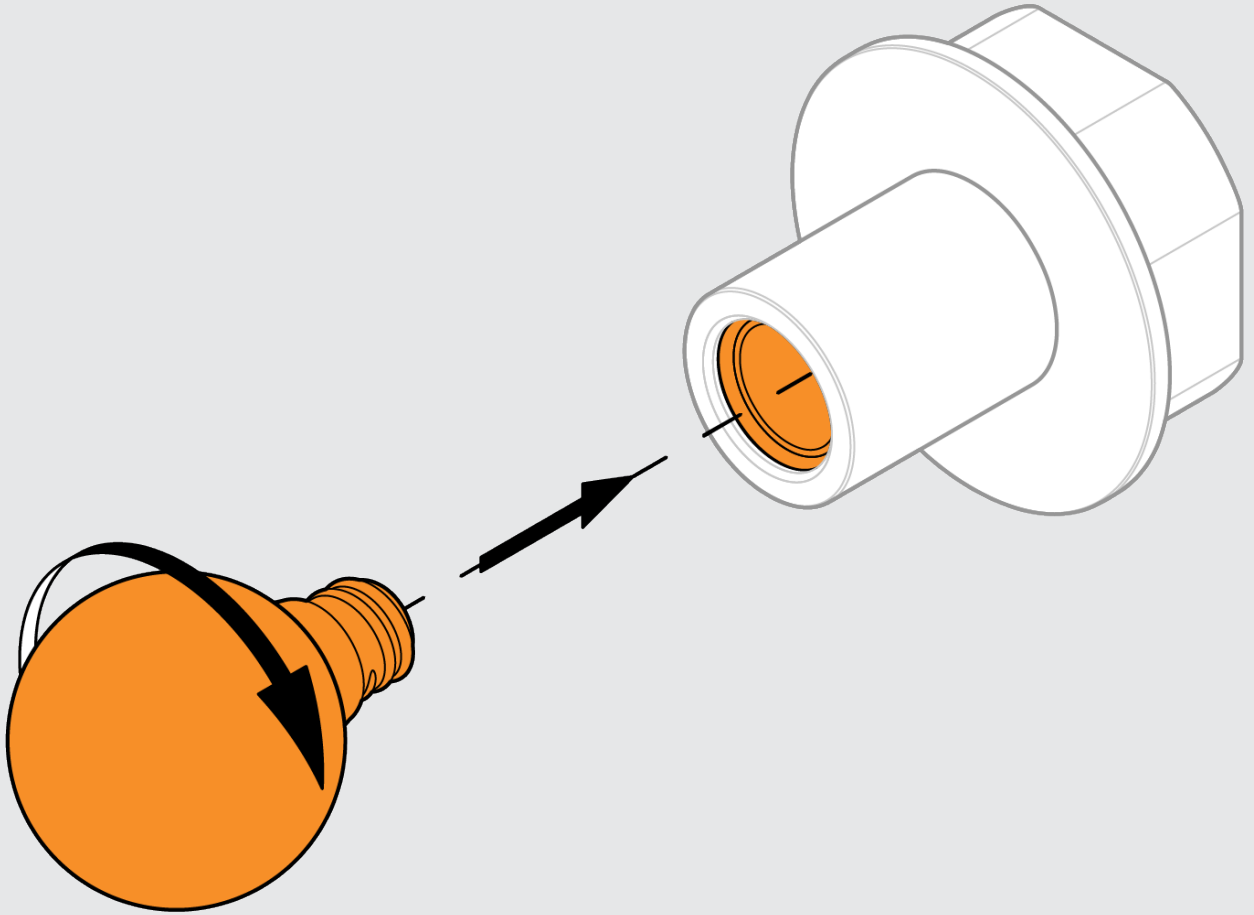
Connect the wires from the fixture to the wires from the junction box using wire nuts.



6

Place the backplate over the fixture socket and then screw the socket cover onto the fixture socket to secure the fixture together.



7


Screw the light bulb
into the light socket.
